

## **Guidelines for Tranquility Camp Attendees with Their Pets**

Responsible ownership is the key!

Dogs and cats must have current rabies vaccinations. Written proof of the pet's current rabies vaccine, and license displayed. (If a license is required by the resident's State) must be provided during the check-in process.

Pets are prohibited at the pool, swimming and swimming waters, non-designated pet friendly campsites.

Pets must always be under the control of their owner. Dogs must be on-leash at all times while on the premises.

### **Your pet's behavior is your responsibility.**

Pets must be always kept on a leash six (6) feet or less in length and under physical control of its handler

Pets shall not be left unattended on the campsite, except when the permittee is using a restroom or visiting a facility building for a brief period of time. When doing so, the pet must be kept in a camping unit or vehicle, weather conditions permitting.

The permittee is responsible for their pet's behavior. Barking or other excessive pet noise that is unduly annoying to others must be controlled. The designated campground quiet hours between 10 p.m. and 6 a.m. is expected to be observed by all visitors.

Dogs must not dig, chase, or harm wildlife; damage Tranquility Camp property; or interfere with other Guest users.

Any injuries must be immediately reported to the security and the Tranquility Camp Director.

Local animal control officers will be contacted to address pets suspected of being abandoned or neglected. The permittee is responsible for any costs associated with animal control services.

The permittee is responsible for immediate and sanitary disposal of the pet's waste.

Pet food must not remain outside of a camping unit or vehicle because it will attract wildlife.

Always clean up after your dog, including dog hair that you brush off in the Camp.

Pet washing at potable water sources or natural waterways (i.e., lakes, rivers, streams) is prohibited.

**Violators of these guidelines are subject to permit revocation and eviction from Tranquility Camp premises.**
